

To whom it may concern

REFERENCE LETTER

HERKAL Ltd has been working with BMCC Ltd in the field of steel structures.

BMCC Ltd was assigned by HERACAL Ltd with the development of fabrication drawings and details' design of steel structure of "EXTENTION OF APARTMENT COMPLEX "TOPOLA SKIES" WITH RESIDENTIAL BUILDING WITH STUDIOS, ADDMITTED BUILDING AND SWIMMING POOLS IN PIII-136,142,143 ON THE PLAN OF V. TOPOLA KAVARNA MUNICIPALITY".

The project has been carried out in a very professional way. The BIM technologies used in the design ensured fast, accurate and precise manufacturing and installation of the steel structures.

The projects of BMCC Ltd in the field of steel structures are characterized by detailed work, precision in these details and completeness of the paperwork. They also allow quality of the projects solution.

We believe that BMCC Ltd is a leader in the design of steel structures. We recommend BMCC Ltd as a reliable partner in the field of design.

Manager,
Dimitar Kochev
