REFERENCE LETTER

X-ARCHITECT LTD has been working together with BMCC LTD since 2017 till the present moment. Through this period X-ARCHITECT LTD together with the team of BMCC LTD has designed a lot of projects.

The projects developed are of an exceptionally high professional level designed on a qualitative and timely basis.

We believe that BMCC LTD is a market leader in the design of steel and reinforced concrete structures. We highly recommend them as a partner in this field.

X-ARCHITECT LTD is extremely satisfied not only with the high quality of the work of BMCC LTD, the precision of paper work, the observation of the deadlines of the projects handed in and the professionalism of the whole team, but we also appreciate the flexibility and the ability to reorganize the team with respect to the specifics and requirements of the projects.

With this reference we would like to recommend BMCC LTD as a highly qualified professional partner in the accomplishment of investment projects.
